## YOU AND THE LAW SERIES- LAW PUBLICATIONS MADE SIMPLE FOR EVERYBODY'S USE

### Multilateral Organisations & their Functions

The shrinking of our world to a global village has taught humanity the need to relate across national borders. Such levels of interaction have precipitated various international and multilateral institutions, addressing all facets of human existence, from healthcare to commerce; and from politics to information technology.

This presentation from LAWQUEST therefore exposes such agencies, their roles and relevance and benefits derivable from them by both individuals and corporate bodies in a dynamic socio-economic climate like ours.

**Price N 600.00**

### Know your Fundamental & Basic Rights

A key force in the development of modern democracy has been the liberal idea of individual rights. Juriscope in this edition, digests these claims and tries to show the balance between these fundamental freedoms and the inevitable corollary of legal responsibility. There couldn't be a better time to x-ray such liberties and create much needed consciousness than the present, in light of the country's new found democracy.
